

Cabka Activates Incident Response Following Cybersecurity Event

March 4, 2026

Amsterdam 4 March 2026. Cabka N.V. (together with its subsidiaries “Cabka”, or the “Company”), specialized in transforming hard to recycle plastic waste into innovative Reusable Transport Packaging (RTP), listed at Euronext Amsterdam, announces that it has identified a cybersecurity incident affecting certain IT systems.

The incident was detected over the weekend. The Company has immediately activated its incident response protocol, isolated affected systems, and engaged external cybersecurity specialists to conduct a forensic investigation.

At this stage, the investigation is ongoing and the full scope and impact of the incident has not yet been determined.

The Company is assessing whether any personal or commercially sensitive data has been accessed or exfiltrated. Relevant authorities have been notified in accordance with applicable regulations.

Cabka takes this event seriously and is working closely with its suppliers and customers.

The Company will provide a further update as soon as material information becomes available. In the meantime, Cabka is continuing to operate normally.

About Cabka

Cabka is in the business of recycling plastics from post-consumer and post-industrial waste into innovative reusable transport packaging (RTP), like pallets- and large container solutions enhancing logistics chain sustainability. ECO product are mainly construction and road safety products produced exclusively out of post-consumer waste.

Cabka is leading the industry in its integrated approach closing the loop from waste, to recycling, to manufacturing. Backed by its own innovation center it has the rare industry knowledge, capability, and capacity of making maximum use bringing recycled plastics back in the production loop at attractive returns. Cabka is fully equipped to exploit the full value chain from waste to end-products.

Cabka is listed at Euronext Amsterdam as of 1 March 2022 under the CABKA ticker with international securities identification number NL00150000S7.
